

*The [National Forest Foundation](#) promotes the enhancement and public enjoyment of the 193-million-acre National Forest System. By directly engaging Americans and leveraging private and public funding, the NFF improves forest health and Americans' outdoor experiences. The NFF's programs inform millions of Americans about the importance of these treasured landscapes. Each year, the NFF restores fish and wildlife habitat, plants trees in areas affected by fires, insects and disease, improves recreational opportunities, and enables communities to steward their National Forests and Grasslands.*
