

WOMEN'S CHAINSAW SAFETY

SATURDAY-SUNDAY, APRIL 25-26, 2020, 8:00-4:00
FOREST SERVICE OFFICE, LYMAN, ME

Beginners welcome! Come learn chainsaw safety, what safety gear is needed, and what to look for when buying a chainsaw. Learn how to cut firewood, clear brush, and buck small trees safely. PPE required.

Sessions will include:

- Personal Protective Equipment review
- Other safety equipment
- Buying and maintaining a saw
- Demonstrations of safe felling techniques
- Hands-on opportunity for supervised, safe practice
- Assessing the safety of the cuts
- Answers to your chainsaw questions!

Cost: \$150. Scholarships available. Lodging and meals not included.
