

Women's Chainsaw Safety Q & A Session

AN INTERACTIVE WEBINAR

Join us and ask your questions about:

- Personal protective equipment (PPE)
- Saw maintenance
- Safety planning
- And anything else!

And, check out the recordings of the **Women's Chainsaw Safety Fundamentals Virtual Workshop** held in April/May (click image below for Part I).

YOU ARE INVITED

This Q&A session is intended to provide a safe and welcoming learning environment for women who are new to chainsaws. We will answer your questions about the fundamentals of women's chainsaw safety including how to find well-fitting safety equipment, choosing the right saw for you, how to maintain your saw, and other topics. And, it's FREE!

Saturday November 14th

9am-10:30am

[CLICK HERE TO REGISTER NOW](#)

Can't wait to "see" you there!

This event is offered by the Southern Aroostook County Soil and Water Conservation District in partnership with the Forest Stewards Guild, Maine Organic Farmers and Gardeners Association, and the national Women Owning Woodlands network.
