

Wildland Fire Mitigation and Management Commission: process, outcomes, and next steps

Webinar: February 23 | 12:00 - 1:30pm MT

In response to a growing wildland fire crisis, the 50-member federal Wildland Fire Mitigation and Management Commission was created in 2021 to recommend improvements to how federal agencies manage wildfire across the landscape. Join the Guild as we review the Commission's process, unanimous recommendations, outcomes, and next steps.

Speaker: Neil Chapman, Wildland Fire Captain with the Flagstaff Fire Department and Commission member
