## NOW HIRING: GENERAL MANAGER

### WALATOWA TIMBER INDUSTRIES (WTI)

WTI is a growth-focused, sustainability-driven company committed to delivering high-quality wood products while protecting the forests and communities we serve. We aim to combine operational excellence with environmental stewardship, ensuring that every wood product tells a story of responsible sourcing, skilled craftsmanship, and innovation.

### RESPONSIBILITIES:

Oversee all operations of the sawmill, including setting long-term strategic direction, annual operations plan with budget, and daily operations.

Ensure all aspects of woods production manufacturing, marketing and sales, customer relations, talent management, employee safety, quality standards, and continuous improvement are in place.

### QUALIFICATIONS:

Strong background in wood products manufacturing

Understanding of wood properties

Proven leadership skills

Managerial experience promoting profitability

### COMPENSATION & BENEFITS

Salary level depends on experience. Paid holidays, health, dental, vision, and life insurance options. 401(k) Employer contribution.
